For a defense of Pastor Rice's datings see [www.GSBaptistChurch.com/timeline](http://www.GSBaptistChurch.com/timeline)

In that many have taken in hand the task of exploring and settling the chronological dating of the Kings of Israel, and in that none of these have held Bible accuracy in the highest esteem, I have undertaken this exciting, intriguing and Biblically exact solution of dating the Kings of Israel. With the Bible as our sole authority and the start dates of king's reigns given in reference to their sister nation's kings (Judah's kings reigning from Jerusalem, Israel's kings reigning from Samaria) it is possible to systematically back a calendar from a know reference point. The Ussher dates used in reputable reference Bibles provide the most Biblically accurate calendar dating available and his date of 586 BC for the fall of Zedekiah, king of Judah, and Nebuchadnezzar's complete destruction of the temple at Jerusalem, is the reference point used here.
